We are off the A32 Fareham to Wickham Road and heading out of Fareham you take the first turning left after passing under the M27. You will need to call us when you reach the barriers at the entrance to gain access.

To reach the A 32: - Heading East: Leave at Junction 11 – Fareham and rejoin the M27 heading West then see below. Heading West: on the M27 this is sign posted to Alton Junction 10. Keep left and leave the motorway. You will follow a loop round under the motorway. You are now on the A32 heading North – pass under the M27 and take the first left turn into the estate. Please call us once you reach the barriers. If they are open or once you are through follow the directions below.

After passing through the barriers keep right at the first junction and follow the road round and over two speed bumps. After the second speed bump take the next left between two buildings and turn left at the bottom. Proceed down this road for approx 600meters and enter a court yard through a brick entrance.
